

2017 Education Development Fund Attestation

This form must be completed, signed, scanned and uploaded by the PI with your application material by the deadline of February 15, 2017. In the case of Co-PIs, then please each complete this form and submit two scanned forms with your application.

Responsibilities of the PI/Co-PI:

As per the Education Development Fund criteria, this is a seed fund designed to encourage those who are transitioning to, or are newly engaged in, educational scholarship. The applicant is to develop and learn about all aspects of and Education Scholarship project and, in doing so, further their career development. It is expected that as Principal Investigator (PI) or Co-Principal Investigator¹, the grant holder will

- be the major contributor towards for the direction of the proposed activities; and
- be responsible for oversight of all aspects of the grant and the study
- receive all related correspondence from the EDF

The attestation below ensures that you are aware of and agree to this role and these responsibilities.

Previously Funded Projects:

Principal Investigators must not have served as PI on more than two previously funded education research grants. Education Scientists are eligible as Principal Investigators within the first three years of their academic appointment and must have not received more than one previously funded education research grant. The attestation below ensures that you are aware of and adhere to these terms.

Please fill out the appropriate category:

Education Scientist

I, _____, agree to serve in the role of Principal Investigator on this grant and attest that I have not served as **Principal Investigator** on more than 1 previously funded education research grant.

Clinician Educator

I, _____, agree to serve in the role of Principal Investigator on this grant and attest that I have not served as **Principal Investigator** on more than 2 previously funded education research grants.
