Reminders: CIHR Project Grant Spring 2023 competition

February 2, 2023 • Reply to [Deanna Pong](#)

Registration for the Canadian Institutes of Health Research (CIHR)'s [Spring 2023 Project Grant](#) competition is currently open.

The Project Grant program is designed to capture ideas with the greatest potential to advance health-related fundamental or applied knowledge, health research, health care, health systems, and/or health outcomes. It supports projects with a specific purpose and a defined endpoint. The best ideas may stem from new, incremental, innovative, and/or high-risk lines of inquiry or knowledge translation approaches.

Important Dates

- **Registration Deadline: February 8, 2023**
  Registration is mandatory: All applicants must submit their registration before the deadline. The application stage will open as soon as the registration has been submitted.
- **MRA Deadline: March 1, 2023**
  The internal MRA requirement is for all applicants applying for this award through the University of Toronto: Your application will not be submitted to CIHR until MRA has been approved by all required institutional officials. For all other applicants, please contact the Research Office of the institution through which you are applying.
- **Application Deadline: March 8, 2023**
  *This deadline is strictly enforced by CIHR and **no exceptions** will be made. CIHR will not accept updates to applications after the application deadline.*
- **Anticipated Notice of Decision: July 20, 2023**
- **Funding Start Date: October 1, 2023**

For more information, please visit the Spring 2023 Project Grant Funding Opportunities page (for University of Toronto applicants) and the CIHR Funding Opportunity Details.
